About the Local Brand

Lịm Donuts is a Vietnamese donut brand founded in 2021, currently operating one physical outlet in Hanoi

Positioned within Vietnam’s rapidly growing bakery and café market, Lịm targets Gen Z and young professionals seeking aesthetic, high-quality desserts influenced by social media trends and gifting culture

Do not Donut

Overthink It.

Making sweet choices simple — no overthinking, just donuts at Lịm

SWOT

STRENGTHS

- Strong social media presence
- Unique, aesthetic donut flavours
- Limited menus fuel hype

WEAKNESSES

- Medium Brand awareness
- Only one physical store
- Too many flavour choices overwhelm buyers

OPPORTUNITIES

- Combo & loyalty programs
- Growing demand for aesthetic desserts in Hanoi
- UGC-driven food sharing

THREATS

- Increasing competition from other donut brands
- Social media impersonation
- Trend-driven taste shifts

QUALITY

PRICE

OBJECTIVES

Brand Awareness

Sales Growth

Trust & Engagement

Objectives

Brand Awareness

- 1,000+ pop-up visitors
- +5,000 TikTok followers (39.2k → 44.2k) — 3 months
- +20% average engagement (TikTok & Instagram)
- 3 viral / semi-viral posts (250k–300k views)

Sales Growth

- +30% monthly sales (~4,000 donuts/month)
- ≥70% weekly “Donut Overthink It” combos sold
- Register 200+ loyalty members by the end of February 2026.

Trust & Engagement

- +30% positive reviews & saves/comments
- Fast-response, friendly IG DM communication
- Reduced brand confusion through official messaging

'ADD YOURS' TEMPLATE on Instagram

Valentine edition (14.02)

Timeline	2026		
	January	February	March
Campaign Promotional Mehotd – Public Relations (Event-Based Promotion)	**UGC & Community Interaction** Encourage customers to share pop-up experiences and flavour suggestions on social media, positioning Lịm Donuts as a responsive, community-driven brand image under its "Khách Nói, Lịm Care" philosophy. **Pop-up Activation Launch** Launch the Donut Overthink It pop-up outside the Tô Hiệu store, featuring mini-games, tasting samples, and a flavour feedback banner to drive first-touch engagement.	**Customer Co-Creation Spotlight** Highlight customer-submitted flavour ideas in-store and online to strengthen emotional connection and brand trust.	**Community Highlight & Wrap-Up** Showcase the most popular customer flavour suggestions and pop-up highlights to reinforce community-driven positioning. **Trust-Building Brand Messaging** Reinforce official brand communication and responsiveness to reduce confusion caused by impersonation issues.
Campaign Promotional Mehotd – Advertising	**Campaign Teaser & Concept Introduction** Release short-form TikTok and Instagram content introducing the *Donut Overthink It* idea and simplifying the donut decision-making process for customers. **Influencer Trial Content** Activate selected micro-influencers to share authentic first-try experiences and direct followers to the pop-up and weekly combos.	**Instagram 'Add Yours' Valentine (1 week) Template Release** Launch a Valentine-themed Add Yours template titled "Donut Overthink It 💗", inviting users to share who they would enjoy donuts with, generating romantic and friendly UGC.	**Campaign Recap Content** Publish recap videos and UGC compilations summarising the Donut Overthink It experience. **Final Influencer Push** An inside look at Lịm Donuts' store experience, featuring donut preparation, glazing processes, service interactions, and in-store atmosphere.
Campaign Promotional Mehotd – Sales Promotion	**Weekly Donut Combos Launch** Introduce rotating fixed donut sets to reduce choice overload and encourage quick, confident purchasing decisions. **Loyalty Programme Introduction (End of Jan)** Launch the tiered loyalty system (Bronze–Silver–Gold) to incentivise repeat visits and early habit formation.	**Loyalty Reward Activation** Activate tier-based perks for returning customers to strengthen habitual purchasing behaviour. **Valentine Combo Rotation 💗** Introduce a Valentine-themed weekly combo to add seasonal novelty and encourage customers to share and try new flavour combinations.	**Women's Day Special Combo 🌹** Launch a limited Women's Day donut set with an 8.3% discount from 07.03-09.03, encouraging gifting and self-treating without overthinking.
	CONSTANT FOR ENTIRELY 3 MONTHS		
	Loyalty Programme Introduction Launch the tiered loyalty system (Bronze–Silver–Gold) to incentivise repeat visits and early habit formation. **Weekly Donut Combos Launch** Introduce rotating fixed donut sets to reduce choice overload and encourage quick, confident purchasing decisions."		
KPI Milestones	1,000+ pop-up visitors 200+ customer interactions at pop-up (mini-games + flavour idea board) 100+ flavour ideas submitted on feedback banner 40% sell-through of Weekly Donut Combos (first launch phase) 20% of customers purchase combos instead of single donuts	1,500+ TikTok followers 20+ tagged check-ins / story mentions 100 loyalty cards registered 50+ uses of Instagram Add Yours – Valentine template Average engagement rate ≥ 20% on campaign content 60% sell-through of Valentine-themed weekly combos	150+ Women's Day sets sold (07–09/03) 25% repeat purchase rate among loyalty users Top 10 customer-suggested flavours showcased After 3 months, evaluate the progress of the campaign KPI

Why This Campaign Work ?

- Addresses real customer behaviour (choice overload)
  - Simplifies decisions → increases confidence & repeat purchase
- Strong fit with **Gen Z humour** and social media habits **(trends)**
- Integrates online content with offline experience
- Easy to execute and scalable for a local brand

This approach **supports awareness, conversion, and habit formation** simultaneously.
